

INTEGRITAS CUVÉE BIANCO

Country of Production: Italy

Vines: Viognier, Chardonnay, Trebbiano, Sauvignon

Characteristic: from the Latin “integrity”, purity, expressed in fruit scent of this cuvée, whose aroma becomes seductive due to its exotic and floral intensity. Soft, round, elegant taste, with a balanced acidity. It matches well with spicy and fish first courses.

Sensations: Fragrance and softness of the fruit are at the expressive apex and reveal this white wine with its sincere floral perfume. The fruit is peach, and it rings as limpid as pure and unoxidised. The strength is excellent and the intensity of expression is the result of an admirable extract. Acidity perfectly balanced with the persuasiveness of grape’s pulp. A crystalline oenological execution, that nothing damages or detracts from the native purity of aroma.

(Luca Maroni - Annuario dei Migliori Vini Italiani 2019)

Alcohol content: 13%
